Dear George:

Our Loan & Investment Committee has approved the purchase of up to \$900,000 in Industrial Revenue Bonds for the purpose of purchasing plant equipment and the cost related to that purchase. This approval includes the unfunded portion of \$400,000 approved in 1981 under an EDC Bond commitment.

The commitment is contingent upon a satisfactory legal opinion as to the tax-free status of these bonds prepared by legal counsel satisfactory to the bank. The \$900,000 will be on an interest only basis for six months and then repaid on a level ten-year amortization, bearing interest at the rate of 70 percent of Lincoln Bank's prime rate.

We appreciate the opportunity to assist Mullinix Packages in their expansion program; and at your convenience, we'll sit down to discuss this approval with you and your attorney so that all the details of the issue and the collateral can be worked out.

The bank's commitment fee will be in the amount of \$1,250 to help cover closing costs and miscellaneous expenses. This commitment will be in full force and effect for 30
